JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Report from Puerto Barrios—Fruit port.

PUERTO BARRIOS, GUATEMALA, August 4, 1902.

SIR: The sanitary condition of this port and the surrounding country during the week ended August 2, has been good. The following vessels have cleared: July 29, American steamship *Breakwater*, for New Orleans, with 3 passengers and 6 pieces of disinfected baggage. July 30, Norwegian steamship *Managua*, for Mobile, with cargo of fruit.

Respectfully,

D. P. ALBERS,
Resident Medical Inspector for the
Louisiana State Board of Health, Puerto Barrios.
The SURGEON-GENERAL.

HONDURAS.
